

## COPPER FITTING BRUSHES

### Submittal Information

Part No. 42523-42571  
Document No. SPEC42523  
Date 2022-03-31  
Revision 02

### General Properties

Material: Plastic/Carbon steel  
Color: Black  
Grit Type: Carbon Steel  
Included Components: Tool

### Specification

Item No.	Specifications	U/M	Std. Pkg.
42523	3/8" OD - 1/4" ID COPPER FITTING BRUSH	EA	12
42524	5/8" OD - 1/2" ID COPPER FITTING BRUSH	EA	12
42525	3/4" OD - 5/8" ID COPPER FITTING BRUSH	EA	12
42526	7/8" OD - 3/4" ID COPPER FITTING BRUSH	EA	12
42527	1-3/8" OD - 1-1/4" ID COPPER FITTING BRUSH	EA	12
42562	1/4" OD - 1/8" ID COPPER FITTING BRUSH	EA	1
42563	1/2" OD - 3/8" ID COPPER FITTING BRUSH	EA	1
42564	1" OD - 7/8" ID COPPER FITTING BRUSH	EA	1
42565	1-1/8" OD - 1" ID COPPER FITTING BRUSH	EA	1
42566	1-1/4" OD - 1-1/8" ID COPPER FITTING BRUSH	EA	1
42567	1-1/2" OD - 1-3/8" ID COPPER FITTING BRUSH	EA	1
42568	1-5/8" OD - 1-1/2" ID COPPER FITTING BRUSH	EA	1
42569	A1-7/8" OD - 1-5/8" ID COPPER FITTING BRUSH	EA	1
42570	2" OD - 1-7/8" ID COPPER FITTING BRUSH	EA	1
42571	2-1/8" OD - 2" ID COPPER FITTING BRUSH	EA	1

### Features

- Bore brush offers easy access into narrow holes and confined areas.
- Great for cleaning copper plumbing joints prior to soldering, manual turning of Brush in tubing cleans tube.
- Industrial wire brushes are suitable for cleaning steel parts, machinery, the unfinished metal parts, paint stains, corrosion without damaging surfaces or fine features.
- Black molded plastic handle makes this tool easy to find in your toolbox.
- Lightweight and durable. Hand-fitting poly grip.
