22152	2" CONCENTRIC VENT KIT	1	EA
22153	3" CONCENTRIC VENT KIT	1	EA
<b>NEW</b> 22154	4" CONCENTRIC VENT KIT	1	EA

## Features

- Concentric vent termination kit for water heater.
- The concentric design cuts off the incoming fresh air and exhausts smoke.
- The preferred vertical roof terminal is not easily damaged, reduces the chance of absorbing pollutants, and sees less steam.
- Instead of cutting two holes, only one hole is needed for installation.
- Vent screen prevents birds and leaves from entering the exhaust pipe.
- Includes all necessary fittings for a convenient, time-saving, and cost-effective installation.
